Red hot team building days

Red Hot Press, an open-access print workshop, will be showcasing details of their novel team building days at Business South 2006 on 1 & 2 March at St Mary's Stadium in the New Business Zone on stand 4. Visitors to the stand will also be able to see first-hand demonstrations of printmaking techniques.

Red Hot Press provides an open-access print workshop with facilities to cater for intaglio and relief printmaking. They run creative, tailor-made team building days for businesses. They also run workshops and courses for the public, teachers and children.

Last year one of their students on a beginners printmaking course entered the prestigious Royal Academy Summer Exhibition with a print she had created on the course and succeeded in getting a place in to the exhibition and made many sales of the print.
